

## Dedication Breakup

Nuno Bettencourt

so you want to start a new life  
that's ok  
go regain your independence  
and fly  
a result so ugly  
a process so beautiful  
go and throw it all away  
and i'll be fine just as long as you

don't say it unless you mean it  
don't say it don't say you love me

human love has got a shelf life  
it gets stale  
a born on date an expiration  
in time

synchronize watches  
set the alarm  
as you leave i'll hold the door with a smile  
just as long as you

somebody told me that love falls like rain  
sooner or later it comes back down again  
in vicious way
