

## Ordinary Day

Nuno Bettencourt

bad dream  
wake me when it's over  
it can't be  
my eyes refuse to focus

this pain i feel for you  
these tears i shed for you  
this prayer i sing for you

god today is not an ordinary day  
wind it back and make it go away  
we'll pay for all our sins but not today  
not this way

can't reach  
your stuck inside my tv  
i'll break glass  
i'll reach and pull you out

this pain i feel for you  
these tears i shed for you  
this prayer i sing for you
