Mind your manners in hell
You don't think they're gonna decorate you
Free pass when you kill your neighbor
Back stage you'll hang out with your maker

Get up get on the bus your going on a tripi
Promise your blasting straight to paradise
You sit on a throne you get 1000 wives
Your showered in gold you live 1000 lives
For God you take your own and
Others lives tell me have you lost
