

Fuck The Bastard

Nunslaughter

She has spread her legs
And does so with a grin
Allowing your lord God
To slip his holy in

Fuck the fucking bastard Christ
No sanctifying grace
Fuck the fucking bastard Christ
Mary the disgrace
Laying on your back
The lord above enticed
Fondling the human bitch
Fuck the bastard Christ

Don't listen to their dogma
Mother ran amok
No virginal conception
Even Mary liked to fuck

Fuck the fucking bastard Christ
No sanctifying grace
Fuck the fucking bastard Christ
Mary the disgrace
Laying on your back
The lord above enticed
Fondling the human bitch
Fuck the bastard Christ

So the blessed virgin
Bore this one true male
A ragged wretch of God
Hung up by a nail
