

## Midnight Mass

## Nunslaughter

Moonlight  
In the woods we chant  
Pentagram  
On the ground we carve  
Ancient rites  
We preach tonight  
Evil ones  
I conjure with spell

Midnight Mass  
Preacher beware  
Midnight Mass  
Demons conjure  
Midnight Mass

Eye of bat  
We add to the brew  
Warlock dance  
With skull and bone in hand  
Witches grin  
At the magic they have done  
Bleeding pig  
Left to the land

Midnight Mass
