

## Perversion Of Gore

### Nunslaughter

Excrete upon the cross of God  
Severed heads adorn my palace  
Entrails strewn upon the cross of God  
Divine agony sacrifice  
Your God has fallen into  
Perversion of Gore  
Rotting zombies kill with hate  
Violent expulsion of the word of God  
Distorted mass of flesh and bone  
Sadism of a tortured mind  
The mass of flesh reeks  
Perversion of Gore  
Humans drenched in blood  
Decay flesh begins to rot  
Coma souls lie in hell  
Weak will die in pain  
The God of man turned  
Perversion of Gore
