

Pyre

Nunslaughter

Death decay unholy night
Summon evil Satan's might
Upon the cross the sins of man
God can't help you Satan can
Foolish humans sick and weak
Bodies die unholy wreak
Satan's hordes spreading fire
Souls of heaven fuel the Pyre

God turns to hate
Lords deceiving fate
Christ falls from grace
Fear engulfs his face

Death decay unholy night
Satan won the final fight
Ashes bones the guts of man
Torn from him by Satan's hand
Holy cross torn to shreds
God of man among the dead
Crown of thorns is barbed wire
World aflame in the eternal Pyre

Angels fall like flies
Screams conceal their cries
Christ is a liar
God stacked on the Pyre
