

# Slaughter The Heavens

## Nunslaughter

Deep inside the walls  
Of Sodom  
There lives and evil  
In me  
The sight of which  
Was sin  
All I need are souls  
And I'm set free

Slaughter the Heavens

Tonight I'll rape  
The heavens  
For a virgins feast  
I bleed  
From my veins  
It pours  
The ones to die  
Are weak

Slaughter the Heavens
