

Listen here, this will only be  
A small portion of your lifetime  
That you'll sacrifice for me  
I asked and you were born  
And like the wind you snuck up on me  
Got me begging for your storm

Fifty-two fifty more days until I come back from war  
I'm gonna lock you up and love you down  
I can't take this anymore  
Nights are old, but I am young  
Across the sea writing letters home  
Answer me, let me hear your voice  
I can't take it anymore

And I don't know where you've gone  
There's so much more you need to know

Take it slow now  
Smooth running  
Live the day cool  
Smooth running  
Show me strength  
True loving  
And trust me girl  
True loving

Listen here, this will only be  
A small portion of your lifetime  
That you'll sacrifice for me  
I asked and you were born  
Like the snow you fall upon me  
Got me begging for some more

Fifty-two fifty more days until I come back from war  
I'm gonna love you up  
And love you down  
I'd cross the world just to  
Hear your sound

Reign on love  
Reign on love  
Reign on love  
Rain!
