

# Crazy Game Of Poker

O.A.R.

My twenty thrown down in my fist of rage  
And the man to my left just folded down  
Johnny doubled up with a Royal Flush  
I had three jacks and a pair of nines  
My mind is turning just two shots more  
There's not much left to play  
Then dude walks in Black hat on top, what a mop  
I'm lucky it wasn't a county cop, cause I'm just running out of time

Who's up for game two, what to do?  
My wallets getting thin and I just lost my watch last night  
I got a problem, just one answer got to throw it all down  
And kiss it goodbye

That was a crazy game of poker  
I lost it all  
But someday I'll be back again  
And I'm never to fall  
Never to fall

Who's up for game three?  
I can barely see the bourbon drowning next to me  
And I just lost it all  
Well there's a man sitting next to me  
Red with smiling eyes  
It's funny I don't have no money tonight.

That was a crazy game of poker  
I lost it all  
But someday I'll be back again  
And I'm never to fall  
Never to fall

Bada biba... ...  
I say now skitili dat dat dat well how bout that  
I'm coming out the front never coming out the back  
I walked into the bar yesterday  
Cause I had something to do, something to say  
And Johnny walked in right behind me and  
I didn't turn around  
Until I hear the sound of his feet falling  
On the ground, looked over my shoulder  
And I saw a clown  
And I said what are you doing in the bar tonight?  
And I said Johnny whatcha doing tonight?  
He looked at me with a face full of fright  
And I said how about a revolution?  
And he said , right.

I say of, you say a, I say revolution, and you say Jah 2x

And I said what are you looking at?  
He hit me across the face with a bat.  
I grabbed my .45 and I said let's get out and go  
Well so he opened the door, and said "now, whatcha here for?"  
I said I'm wanderin' down the road 44  
And I said I've been walking for about a thousand years

And my feet are growing tired  
My eyes a little wired  
Don't know what to do unless I retire  
And he just said let's play some crazy poker  
And I said Johnny whatcha doing tonight?  
He looked at me with a face full of fright  
And I said how about a revolution?  
And he said right.

I said that was the craziest game of poker that I ever saw  
I said that was the craziest game of poker that I ever saw  
But Im not gonna quit and I'm not gonna stop  
I don't give a shit cause I got the drop  
Johnny just got two eyes just like mine  
And I'm feeling kind of funky, kinda fine  
Cause I drank a bottle of whiskey before I came  
Came to the bar to see what's the same  
I saw my man named Johnny sitting across the table from  
And to my left was a man he had no gin  
He didn't even think about starting to sin  
The man to my right, wasn't feeling very nice  
He looked kinda mad and I felt bad  
Because I took his money last night  
Now I'm just struggling  
I need a honey bunny  
I don't know what to say anymore  
So Im just going to go out the front door.
