

Hangover

O.A.R.

Woke up with a headache from the night before
Cause sometimes I drink
Spent the night with my head in the toilet bowl
It's where I like to think
I said cause I don't want no one to take a piece of my heart
I hate to lose all the little bitty pieces from my heart
La-da-da hey-o

Ya ever spend all night thinking about your life
well I suggest we try
Well it's something that you're gonna wanna do with the night
Cause I tend to cry
I said cause I don't want no one to take a piece of my heart
I hate to lose all the little bitty pieces from my heart
Lalalala had-ey-o

Ya ever spent all day thinkin' bout the night when anal sex feels great
It's something that you do
When you think away too much you're out of sight
What ya gonna do, ya gonna fuck some bitch
I said cause I don't want no one to take a piece of my heart
I hate to lose all the little bitty pieces from my heart
Lalalala had-ey-o
