

I Feel Home

O.A.R.

There are few things pure in this world anymore,
and home is one of the few
We'd have a drink outside maybe run and hide,
if we saw a couple men in blue
But to me it's so damn easy to see that your people are the people at home
Well I been away but now I'm back today and there ain't a place
I'd rather go

I feel home when I see the faces that remember my own
I feel home when I'm chillin outside with the people I know
I feel home, and that's just what I feel
Cause home, to me, is reality and all I need is something real

We're feeling alright headin out tonight maybe off to a dark driveway
I say now, some feel bored, and some are looking for more,
but we all just decide to stay
We got nothing to do, but when I look at you I see something that I know and love
And with the crack of a smile we all stay awhile,
we know from home there ain't nothin above

Well in the end, we can all call a friend,
well that's something that I know as true
In a thousand years, and a thousand tears,
I'll come finding my original crew
Cause to me throughout eternity there is somewhere we are welcome to go
I said it's something free that means a lot to me,
when I'm with my friends I feel home

I feel home when I see the faces that remember my own
I feel home when I'm chillin outside with the people I know
I feel home, and that's just what I feel
Cause home, to me, is reality and all I need is something real
Home to me is reality and all I need is something real, I feel home
