

Love Is Worth The Fall

O.A.R.

I can almost believe that you're real
And it's love in my heart that I feel
But there's something between us
That can't seem to get through it all

If I could only read your mind
I would know how to save you this time
With love, love is worth the fall
If I could only save the day
Here in your world I could stay
For love, love is worth the fall

Show me the way, let me see
Into your soul let me breathe
I will wait through the ages
And watch you sleep straight through the night

If I could only read your mind
I would know how to save you this time
With love, love is worth the fall
If I could save the day
Here in your world I could stay
For love, love is worth the fall

Sleep, darling sleep
Dream, darling dream
Open those dreams to me
Yeah, only read your mind
I would know how to save you this time
With love, love is worth the fall
Yeah if I could only save the day
Here in your world I would stay
For love, love is worth the fall
Love, love is worth the fall

I see you right there and your smiling
Alone in your bed, that's my love
It's better than listening
When nothing is said
I lay down beside you here
I do it for love
Love, love is worth the fall
Love, love is worth the fall
Love, love is worth the fall
Love, love is worth it all
