

## Love Is Worth The Fall

O.A.R.

I can almost believe that you're real  
And it's love in my heart that I feel  
But there's something between us  
That can't seem to get through it all

If I could only read your mind  
I would know how to save you this time  
With love, love is worth the fall  
If I could only save the day  
Here in your world I could stay  
For love, love is worth the fall

Show me the way, let me see  
Into your soul let me breathe  
I will wait through the ages  
And watch you sleep straight through the night

If I could only read your mind  
I would know how to save you this time  
With love, love is worth the fall  
If I could save the day  
Here in your world I could stay  
For love, love is worth the fall

Sleep, darling sleep  
Dream, darling dream  
Open those dreams to me  
Yeah, only read your mind  
I would know how to save you this time  
With love, love is worth the fall  
Yeah if I could only save the day  
Here in your world I would stay  
For love, love is worth the fall  
Love, love is worth the fall

I see you right there and your smiling  
Alone in your bed, that's my love  
It's better than listening  
When nothing is said  
I lay down beside you here  
I do it for love  
Love, love is worth the fall  
Love, love is worth the fall  
Love, love is worth the fall  
Love, love is worth it all
