

I've been hated with the lights down low,  
I feel so kidding till  
But if I'm searching inside myself  
I'll be all tendered.

La la la la la, uuuu

It's easy to feeling divine  
It's easy to tell a lie.  
The city is shitty sometimes  
It's easy to feeling so right

La la la la la

It's easy to feeling the divine  
It's easy to tell a lie.  
The city is shitty sometimes  
It's easy, your feeling's alright
