

H8 City

O. Children

I've been hated with the lights down low,
I feel so kidding till
But if I'm searching inside myself
I'll be all tendered.

La la la la la, uuuu

It's easy to feeling divine
It's easy to tell a lie.
The city is shitty sometimes
It's easy to feeling so right

La la la la la

It's easy to feeling the divine
It's easy to tell a lie.
The city is shitty sometimes
It's easy, your feeling's alright
