

Meant For You

O-Town

Ooh Ooh
Wake Up in the morning
I can't wait to see your face
Never been this happy in all my life
Took a sip of water and lay gently by your side
Praying that the sun would never rise
A Loving Kiss upon your cheek before you wake
I lay back and watch you sleep
Then I write this love song to tell you one more time
How I Love you and I need you in my life
Oh Oh Oh
Cuz I can't live without you, I can't breath without you, I can
't see my life without you
I have no reason to doubt you were meant for me and I was meant
for you
Ooh
I was meant for you
You were meant for me, yeah
I was meant for you
Cuz I was meant for you
