

Sexiest Woman Alive

O-Town

When I see ya
I can't believe ya
Did ya slip on heaven's floor
A fallen angel
I've been around the world
But I've never seen a girl
Who makes my nature rise the way that you do

Like Häagen-Dazs you hit the spot
You make me scream
Cause you got a lot
In your Calvin jeans
You're a beauty queen
And you're blowin' my mind

Just one look was all it took, I'm shook
Cause no one else compares to you

You're crazy sexy
Got a body like
A dancer on MTV
I'd spend all my ends
To hold you close to me
You're the sexiest woman alive
Oh babe it's so insane
You work that body
Like you're on Soul Train
You've got the stuff
That make a guy do most anything
The sexiest woman alive

When you walk into a room
The first reaction's "Ooh!"
Every guy around just wants to sweat ya
But I bet a million boo
They don't feel ya like I do
Cause I'm about to make you my wifey
My wifey

Like Häagen-Dazs you hit the spot
Girl you know got a lot
In your Calvin jeans
You're a beauty queen
And you're blowin' my mind

Just one look was all it took, I'm shook
Cause no one else compares to you

Though I've been around the world
I never had a girl like you
Wanna make my dreams come true

Been to Africa
Had sushi in Japan, used to think I was the man
Though I've tasted all the finer things
I never had a time like you

I like the way we touch in the night
Girl your love just knocks me out
You're the sexiest woman alive

Oh baby, I like the way that we touch in the night
Girl your love just knocks me out
You're the sexiest woman alive
