

# The Joint

O-Town

(DJ can you play it as a favour for me?)

(DJ can you play it as a favour for me?)

DJ can you play it as a favour for me  
You know the joint that she shorties keep talkin about  
DJ can you play it as a favour for me  
You know the joint that makes 'em get down, get down

Take those  
New records off the shelf  
'Cause I ain't dancin' by myself  
And you're the only one who can help  
uh huh  
Saw this hunnie come through the back door  
And I need to get her out on the floor  
So get up on to your feet  
By breakin you off a drink  
'Cause you know what I came here for..

DJ can you play it as a favour for me  
You know the joint that she shorties keep talkin about  
DJ can you play it as a favour for me  
You know the joint that makes 'em get down, get down  
DJ can you play it as a favour for me  
You know the joint that she shorties keep talkin about  
DJ can you play it as a favour for me  
You know the joint that makes 'em get down, get down

I love  
Rockin, rockin  
Hip hop with rock n roll  
Mix it with a lil rhythm and soul  
And you know that we'll be good to go  
Uh huh  
I think it's time for the place to get hot  
So DJ make the beat drop  
You better raise up your glass  
And start shakin yo (ahh)  
'Cause the party ain't about to stop

I'ma put another dime up in the jukebox  
Let the music play all night long  
Giving you a taste of southern comfort  
Wrapped up in a love song  
Record man can we do it again?  
Press rewind before the joint ends  
'Cause I'm about to put her out of her seat  
And i'm hopin she can stand the heat  
ohhhhhh

Burnin up, burnin up  
The dance floor's burnin up  
Burnin up, burnin up  
The joint's like burnin up  
Burnin up, burnin up  
The dance floor's burnin up  
Burnin up, burnin up

The joint's like burnin up
