

You Bring Me Under

O-Town

Oooh...

My mind is suffocating

By your deep sigh

The scent of you has got me

So blind, why, why can't I be with you

Full time 'cause

You bring me under

Your lips, your eyes

You're scared

You wait to be with him

Your thoughts and mine

Will meet in time babe

You're mine babe

So fine babe

But for now

I like it when you bring me under

You bring me

I know you so well

I love it when we get down, down, down

Can't you tell

I know you know when I first met you

I met you

My heart fell

I love it when you take me down, down, down

Under your spell

I could forgive you

I can't forget you

The things that you do

Won't leave my mind too
