

# You Can't Lose Me

O-Town

Oooh  
Yeah yeah  
You can't lose me

You can lose your faith in loving  
You can lose the will to trust, you'll see  
You can't lose me

You can lose control let loose your senses  
Lose your strength lose your defenses  
You'll see, you'll see, you'll see  
You can't lose me

You can't lose me cause I'm not leaving  
You can't lose me cause I won't go  
I'm gonna be there like a shadow you won't ever be alone  
I'll be the sun that shines above you  
All around you everywhere  
I'll be there

You can lose your way, lose your possessions  
Lose your mind and lose direction  
You'll see, you'll see, you'll see  
You can't lose me

You can't lose me cause I'm not leaving  
You can't lose me cause I won't go  
I'm gonna be there like a shadow you won't ever be alone  
I'll be the sun that shines upon you  
All around you everywhere  
I'll be there

You can lose your way, lose your possessions  
Lose your mind and lose direction  
You'll see, you'll see, you'll see  
You can't lose me

You can lose your faith  
You can lose your way  
I'm gonna be there  
This will never change  
No no no no no  
You can't lose me

You can lose your faith  
You can lose your way  
I'm gonna be there  
This will never change  
Oh yeah  
You can't lose me...lose me
