

Numai tu

O-Zone

Sa nu ma-ntrebi de ce
Lumea din jur nu mai e,
In mintea mea acum
Traiesti doar tu.
In iernile tarzii, eu te voi incalzi
Iti voi sopti:
"Viata mea esti numai tu!"

Pana-n zori sa ramanem,
Sa gustam din dulceata,
Sa te-ntreb cu privirea,
Sa-mi raspunzi cu iubirea
Iar cand ne vom trezi
Iti voi reaminti,
Ca pentru mine esti
Numai tu.

Numai tu,
Inima mi-o frangi, doar tu
Numai tu.
Tu, tu, numai tu.

Atinge-ma usor,
Sa simt ca explodez, ca mor.
Si-apoi sa-mi spui
Ca-n gandul tau sant numai eu.

Sa adormim cu greu
Si-n somn sa spui numele meu,
Iar in visul tau,
Voi veni si vei sti ca esti doar tu.

Pana-n zori sa ramanem,
Sa gustam din dulceata,
Sa te-ntreb cu privirea,
Sa-mi raspunzi cu iubirea
Iar cand ne vom trezi
Iti voi reaminti,
Ca pentru mine esti
Numai tu.

Numai tu,
Inima mi-o frangi, doar tu
Numai tu.
Tu, tu, numai tu.

[English translation:]

Don't ask me
Why the world is...
Only u with my mind
Like me with your mind
U shine my life
And I hear the whisper that in my life...
"There is only u"

One moment remains to us

To feel the taste
To ask with love
To answer with love
And this will wake up
That will seem to remind
That there is ONLY YOU for me

ONLY YOU
My soul is addicted to you
ONLY YOU
ONLY YOU
ONLY YOU
My soul is addicted to you
ONLY YOU
ONLY YOU

Show me easy
How is to express amor(iubirea)simply
And tell me that
In your thoughts only I AM

Wake me up....
...And tell me my name.... (Not sure here)
But in your dream
will come the sign that I am with u

One moment remains to us
to feel the taste
To ask with love
To answer with love
And this will wake up
That will seem to remind
That there is ONLY YOU for me

ONLY YOU
My soul is addicted to you
ONLY YOU
ONLY YOU
ONLY YOU
My soul is addicted to you
ONLY YOU
ONLY YOU
