

# Ain't Got Nothin'

Oasis

Ain't got nothing on me  
Anymore, they got  
Nothing on you  
I don't care what they  
Say anymore, all I  
Want is the truth

I don't feel  
To unveil,  
Here's a song,  
Sing along

Ain't got nothing from me  
Anymore, I got  
Nothing on you  
I don't care what they  
Say anymore, all I  
Want is the truth

I don't feel  
To unveil,  
Here's a song,  
Sing along  
Watch my style,  
Pick a place,  
Wipe the smile  
From your face

I don't feel  
To unveil,  
Here's a song,  
Sing along  
Watch my style,  
Pick a place,  
Wipe the smile  
From your face

Hey-e-ey Yeah-e-ey!

Ain't got nothing on me  
Anymore, they got  
Nothing on you  
I don't care what they  
Say anymore, all I  
Want is the truth
