

1. People will notice that the times are changin'
It's just now but not for good
It's my feelings that I think you're draining
So take them now if you think you should

R: You want something for nothing
The higher that you climb the longer you fall
Maybe your time is coming,
will you have to climb when you find the wall
Is there time to doubt, is there time to wait
Will you be left alone at the starting gate?
I'm not blind and I don't mind
Cause I've got time, now I'm alive

2. The people have noticed that the times are changin'
But are they gonna do something now
I think I've seen you all hesitating
I think I'll go and do something now

R: +
Now I'm alive
Yeah, I'm alive
