

Bag It Up

Oasis

1. Gold And Silver and sunshine is rising up
Pour Yourself another cup of Lady Grey
Take My Hand in the meantime, when you've had enough,
You'll find me on the end of a runway, babe.

2. Tell the world that you love them in a melody,
Send my old piano and a tele-gram
Gotta get me a doctor with a remedy
I'm Gonna take a walk with the monkey man!

P: Someone tell me I'm dreaming,
The freaks are rising up through the floor.
Everything I believe in is
Telling me that I want more, more, more

R: Lay your love in the fire when you come on in,
I got my hee-bee-jee-bees in a hidden bag.
Tell me what you desire and I'll bat it up.

P:

R2: Shine a light on your fire when you come on in,
I got my hee-bee-jee-bees in a hidden bag.
Tell me what you desire and we'll bag it up.
