

Born On A Different Cloud

Oasis

Born on a different cloud
From the ones that have burst 'round town
It's no surprise to me
That you're classless, clever and free

Loaded just like a gun
You're the hero that's still unsung
Living on borrowed time
You're my son and you're gonna shine

Talking to myself again
This time I think I'm getting through
It's funny how you think
It's funny how, it's funny how when you do

Born on a different cloud
From the ones that have burst 'round town
It's no surprise to me
That you're classless, clever and free

Lonely soul busy working over-time
Nothing ever gets done
Especially when your hands are tied
Lonely soul breaking up your mother's pride
Nothing ever gets done
Not until your war's won

Born on a different cloud (4x)

Born on a different cloud
Born on a different cloud
Born on a different cloud
Born on a different cloud

Born on a different cloud
Born on a different cloud
Born on a different cloud
Born on a different cloud

Na na na na 8x

Born on a different cloud
Born on a different cloud
Born on a different cloud
Born on a different cloud
