

# Born On A Different Cloud

Oasis

Born on a different cloud  
From the ones that have burst 'round town  
It's no surprise to me  
That you're classless, clever and free

Loaded just like a gun  
You're the hero that's still unsung  
Living on borrowed time  
You're my son and you're gonna shine

Talking to myself again  
This time I think I'm getting through  
It's funny how you think  
It's funny how, it's funny how when you do

Born on a different cloud  
From the ones that have burst 'round town  
It's no surprise to me  
That you're classless, clever and free

Lonely soul busy working over-time  
Nothing ever gets done  
Especially when your hands are tied  
Lonely soul breaking up your mother's pride  
Nothing ever gets done  
Not until your war's won

Born on a different cloud (4x)

Born on a different cloud  
Born on a different cloud  
Born on a different cloud  
Born on a different cloud

Born on a different cloud  
Born on a different cloud  
Born on a different cloud  
Born on a different cloud

Na na na na 8x

Born on a different cloud  
Born on a different cloud  
Born on a different cloud
