

Bring It On Down

Oasis

1. What was that sound ringin' around your brain?
Today was just a blur, you got a head like a ghost train
What was that sound ringin' around your brain?
You're here on your own, who you gonna find to blame?

P: You're the outcast you're the underclass
But you don't care because you're living fast

R: You're the uninvited guest that stays till the end
I know you've got a problem that the devil sends
You think they're talking 'bout you but you don't know who
I'll be scraping your life from the sole of my shoe tonight

2. Bring it on down. Bring it down for me.
Your head's in a fish tank
your body and your mind can't breathe

P:
