

# D'You Know What I Mean?

Oasis

Step off a train, all alone at dawn  
Back into the hole where I was born  
Sun in the sky, never raised an eye to me

There's blood on the tracks, and it must be mine  
Fool on the hill and I feel fine  
Dont look back, 'cause you know what you might see

Look into the wall of my minds eye  
I think I know but I don't know why  
Questions are the answers you might need

Comin' in a mess goin' out in style  
I aint good looking, but I'm someones child  
No-one can give me the air that's mine to breathe

I met my maker, I made him cry,  
And on my shoulder, he asked me why,  
His people wont fly through the storm  
I said listen up man, they don't even know you're born

All my people right here, right now,  
D'You Know What I Mean?  
Yeah, Yeah

All my people right here, right now,  
D'You Know What I Mean?  
Yeah, Yeah

All my people right here, right now,  
D'You Know What I Mean?  
Yeah, Yeah

All my people right here, right now,  
D'You Know What I Mean?  
Yeah, Yeah

I don't really care for what you believe,  
So open up your fist or you wont recieve,  
The thoughts and the words of every man you'll meet.

So get up off the floor and believe in life  
No one's gonna ever ask you twice,  
Get on the bus and bring it all home to me.

I met my maker, I made him cry,  
And on my shoulder, he asked me why,  
His people wont fly through the storm  
I said listen up man, they dont even know you're born

All my people right here, right now,  
D'You Know What I Mean? Yeah Yeah.

All my people right here, right now,  
D'You Know What I Mean? Yeah Yeah.

All my people right here, right now,

D'You Know What I Mean? Yeah Yeah

All my people right here, right now,  
D'You Know What I Mean? Yeah Yeah  
Yeah, Yeah,  
Yeah, Yeah.
