

# Fade Away

Oasis

1. When I was young I thought I had my own key  
I knew exactly what I wanted to be  
Now I'm sure  
You've boarded up every door
  2. Lived in a bubble days were never ending  
Was not concerned about what life was sending  
Fantasy was real  
Now I know much about the way I feel
- P: I'll paint you the picture  
'Cos I don't think you live round here no more  
I've never even seen the key to the door  
We only get what we will settle for
- R: While we're living  
The dreams we had as children  
Fade away  
While we're living  
the dreams we had as children  
fade away  
While we're living  
the dreams we had as children  
fade away  
While we're living  
the dreams we had as children  
fade away, away, away  
they fade away, away, away
3. Now my life has turned another corner  
I think it's only fair that I should warn yer  
Dream it while you can  
Maybe someday I'll make you understand
