

# Falling Down

Oasis

capo II

1. The summer sun  
It blows my mind  
It's falling down on all that I've ever known  
Time to kiss the world goodbye  
Falling down on all that I've ever known  
Cmaj7Asus2  
Is all that I've ever known

2. A dying scream  
It makes no sound  
Calling out to all that I've ever known  
Here am I, lost and found  
Calling out to all

Em            Em7    Cmaj7Asus2  
We live a dying dream  
If you know what I mean  
Cmaj7Asus2  
All that I've ever known  
Is all that I've ever known.

R: Catch the wind that breaks the butterfly  
I cried the rain that fills the ocean wide  
I tried to talk with God to no avail  
Calling my name from out of nowhere  
I said "If you won't save me, please don't waste my time"
