

(Get Off Your) High Horse Lady

Oasis

Get off your high horse lady, I don't need a ride tonight.
Get off your high horse lady, I don't need a ride tonight.
Lay down.

I hear your soul song singing from a fire in the sky.
I hear your soul song singing from a fire in the sky.
Rain down.
Rain down.

Get off your high horse lady, I don't need a ride tonight.
Get off your high horse lady, I don't need a ride tonight.
Lay down.
