

# Go Let It Out

Oasis

Paint no illusion, try to click with whatcha got  
Taste every potion cos if yer like yerself a lot  
Go let it out, go let it in, go let it out

Life is precocious in a most perculiar way  
Sister psychosis don't got a lot to say  
She go let it out, she go let it in, she go let it out  
She go let it out, she go let it in, she go let it out

Is it any wonder why princes & kings  
Are clowns that caper in their sawdust rings  
And ordinary people that are like you and me  
Were the keepers of their destiny

Im goin leaving this city, Im goin drivin outta town  
Your comin with me the right time is always now  
To go let it out, go let it in, go let it out  
To go let it out, go let it in, go let it out

Is it any wonder why princes and kings  
Are clowns that caper in their sawdust rings  
Cos ordinary people that are like you and me  
Were the builders of their destiny  
Were the builders of their destiny  
Were the builders of their destiny  
Were the builders of their destiny

So go let it out - go let it in  
Go let it out - don't let it in  
Go let it out - go let it in  
Go let it out - don't let it - don't let it in
