## **Guess God Thinks I'm Abel**

I could be your lover You could be you mind We go on forever Till the end of time

You could be my best friend Stay up all night long You could be my railroad We'd go on and on

Lets get along There's nothing here to do Lets go find a rainbow I could be wrong but what am i to do

Guess god thinks I'm Abel

You could be my enemy I guess there's still time I get round to loving you Is that such a crime?

Lets get along There's nothing here to do Lets go find a rainbow I could be wrong but what is there to do

Guess god thinks I'm Abel

No one can break us No one could take us If they tried

No one can break us No one could take us If they tried

Come on over Let's make it tonight
