

1. I know a girl who's lost and lonely  
Sits by the phone on her own  
But the phone don't ring  
And the birds don't sing in her tree  
She lost herself in a haze of pity  
And doesn't know where to run  
Needs a headshrinker now  
And I think it's time we had some fun

P: Lost in a fog up a tree like a dog and I'm out of here  
I got no name and I feel no shame and I got no fear  
And I bow down to the tears of a clown  
Whatever's going down is coming around  
I hope you don't regret today for the rest of your...

R: ...lives                      For the rest of your lives  
For the rest of your lives  
For the rest of your llllllives

2. = 1.
