

## Hung in a Bad Place

Oasis

I can go where I wanna  
Be who I wanna be now  
I can sleep under water  
Never worried what I'm gonna dream now

Yeah the times come and gone  
And I know where I'm from  
And can be so...  
It's hasta manana  
You're on your own banana skin feet now

Yeah I've been hung in a bad place  
Had no sun over my face  
Yeah I've been hung in a bad place  
For too long

I can say what I wanna  
Feel how I wanna feel now  
I can squeeze all the hours  
I choose to devour with ease now

I can sing to the trees  
Tarzan on harmonies for free yeah  
You've been blocked and you're stalling  
Nature is calling for me (you got me!)

Yeah I've been hung in a bad place  
Had no sun over my face  
Yeah I've been hung in a bad place  
For too long
