

# I Hope, I Think, I Know

Oasis

They're trying hard to put me in my place,  
And that is why Ive gotta keep running,  
The future is mine and it's no disgrace  
Cos in the end the past means nothing.

You tell me Im free then you tie me down,  
And from my chains I think it's a pity,  
What did it cost you to wear my crown,  
You don't like me why don't you admit it.

I feel a little down today,  
And I aint got much to say,  
But your gonna miss me when Im not there  
You know I don't care,  
You know I don't care,

As we beg and steal and borrow,  
Life is hit and miss,  
And this, I hope, I think, I know,

If I ever hear the names, you call,  
And if I stumble catch me when I fall,  
Cos baby after all,  
Youll never forget my name,  
Youll never forget my name.

Your trying hard to put me in my place,  
And that is why Ive gotta keep running,  
The future is mine and it's your disgrace,  
Cos in the end your laugh means nothing.

To feel a little down today,  
But you aint got much to say,  
Whos gonna miss you when your not there,  
You know we don't care.

Cos as we beg and steal and borrow,  
Life is hit and miss,  
And this, I hope, I think, I know,

If I ever hear the names, you call, a  
Nd if I stumble catch me when I fall,  
Cos baby after all,  
Youll never forget my name,  
Youll never forget my name.

As we beg and steal and borrow,  
Life is hit and miss,  
And this, I hope, I think, I know,

If I ever hear the names, you call,  
And if I stumble catch me when I fall,  
Cos baby after all,  
Youll never forget my name,  
Youll never forget my name.  
Youll never forget my name.
