

We the people fight for our existence  
We don't claim to be perfect but we're free  
We dream our dreams alone with no resistance  
Faded like the stars we wish to be

Y'know I didn't mean... what I just said  
But my God woke up on the wrong side of His bed  
And it just don't matter now

R: Little by little we gave you everything you ever dreamed of  
As little by little the wheels of your life have slowly fallen  
off

Little by little you have to give it all in all your life  
And all the time I just ask myself why are you really here?

True perfection has to be imperfect  
I know that that sounds foolish but it's true  
The day has come and now you'll have to accept  
The life inside your head we gave to you
