

# Rockin' Chair

Oasis

I'm older than I wish to be  
This town holds no more for me  
All my life I try to find another way  
I don't care for your attitude  
You bring me down I think you're rude  
All my life I try to find another way

It's hard enough being al one  
Sitting here by the ph one  
Waiting for my memories  
To come and play

It's hard enough sitting th ere  
Rockin' in your rockin' ch air  
It's all too much for me to take  
When you're not there

It's hard enough being al one  
Sitting here by the ph one  
Waiting for my memories  
To come and play

It's hard enough sitting th ere  
Rockin' in your rockin' ch air  
It's all too much for me to take  
When you're not there

I'm older than I wish to be
