

Rockin' Chair

Oasis

I'm older than I wish to be
This town holds no more for me
All my life I try to find another way
I don't care for your attitude
You bring me down I think you're rude
All my life I try to find another way

It's hard enough being al one
Sitting here by the ph one
Waiting for my memories
To come and play

It's hard enough sitting th ere
Rockin' in your rockin' ch air
It's all too much for me to take
When you're not there

It's hard enough being al one
Sitting here by the ph one
Waiting for my memories
To come and play

It's hard enough sitting th ere
Rockin' in your rockin' ch air
It's all too much for me to take
When you're not there

I'm older than I wish to be
This town holds no more for me
All my life I try to find another way
I don't care for your attitude
You bring me down I think you're rude
All my life I try to find another way
