

# Roll It Over

Oasis

I can give a hundred million reasons  
To build a barricade

I blame it on the changin' of the seasons  
The thoughts that I convey

Does it make it alright  
It doesn't make it alright  
To roll it over my soul  
Leave me here  
Roll it over my soul  
Leave me here

Look around at all the plastic people  
Who live without a care  
Try to sit with me around my table  
But never bring a chair

Does it make it alright  
It doesn't make it alright  
To roll it over my soul  
Leave me here  
Roll it over my soul  
Leave me here

To roll it over my soul  
Leave me here  
Roll it over my soul  
Leave me here

To roll it over my soul  
Leave me here  
Roll it over my soul  
Leave me here
