You gotta roll with it
You gotta take your time
You gotta say what you say
Don't let anybody get in your way
'Cause it's all too much for me to take

Don't ever stand aside Don't ever be denied You wanna be who you'd be If you're coming with me

I think I've got a feeling I've lost inside
I think I'm gonna take me away and hide
I'm thinking of things that I just can't abide

I know the roads down which your life will drive I find the key that lets you slip inside Kiss the girl, she's not behind the door But you know I think I recognize your face But I've never seen you before

You gotta roll with it
You gotta take your time
You gotta say what you say
Don't let anybody get in your way
'Cause it's all too much for me to take
