

# She Is Love

Oasis

Oh when the sunshine beckons to ya,  
And your wing begin too unfold,  
The thoughts you bring and the songs you sing are gonna keep me  
from the cold,  
And if a sword is hidden among ya,  
And its words may wound ma soul,  
You can fill me up with what you've got cause my hearts been a keepin all.

She is love and her ways are high and steep  
She is love and believe her when she speaks  
Loooooooooooooove and her ways are high and steep  
She is love and I believe I do believe her when when she speaks

Your in all my thoughts of passion,  
And the dreams and my delight,  
What ever stirs my moral frame,  
Will you keep it warm at nite,  
I don't know where you come from  
No I havent got a clue,  
All I know is I'm in love With someone who loves me too.

She is love and her ways are high and steep  
She is love and believe her when she speaks  
Loooooooooooooove and her ways are high and steep  
She is love and I believe I do believe her when when she speaks  
.

She is love and her ways are high and steep  
She is love and believe her when she speaks  
Loooooooooooooove and her ways are high and steep  
She is love and I believe I do believe her when when she speaks  
I do believe her when when she speaks  
I do believe her when when she speaks  
I do believe her when when she speeeeeaaaaakkkkkks
