Shout It Out Loud

Oasis

Hope we've found our sweet release
I hope I fill that hole in your soul
Hope that at last we get some peace
I hope the light shines on we as one

There'll never be enough to learn
The river's deep and the road is long
And every which way we turn
Always seems insane
But it makes me feel alive

Shout it out loud
When I'm alive
Shout it out loud
When I'm alive
Shout it out loud
When I'm alive
Shout it out loud

As we wish the world away
D'you think it's all a dream
Cos that's what it seems

Every night we hope and pray
That we can do enough
To keep our love

Never be enough to learn
The river's deep and the road is long
And every which way we turn
Always seems insane
But it makes me feel alive

Shout it out loud
When I'm alive
Shout it out loud
When I'm alive
Shout it out loud
When I'm alive
Shout it out loud
When I'm alive
Shout it out loud
When I'm alive
Shout it out loud
When I'm alive
Shout it out loud

Shout it out loud
