

Slide Away

Oasis

1. Slide away - and give it all you've got
My today - fell in from the top
I dream of you - and all the things you say
I wonder where you are now

2. Hold me down - all the world's asleep
I need you now - you've knocked me off my feet
I dream of you - we talk of growing old
But you said please don't!

P: Slide in, baby - together we'll fly
I've tried praying - and I know just what you're saying to me

R: Now that you're mine,
we'll find a way
of chasing the sun
Let me be the one
Who shines with you
In the morning when you don't know what to do
Two of a kind
We'll find a way
To do what we've done
Let me be the one that shines with you
And we can slide awayslide away
Awayyyyyyyyyyyyyyyyy
