

# Songbird

Oasis

Talking to the song bird yesterday  
flew me to a place not far away  
shes a little pilot in my mind  
singing songs of love to pass the time

gonna write a song so she can see  
give her all the love she gives to me  
talk of better days they have to come  
never felt this love from any one

Shes not anyone  
Shes not anyone  
Shes not anyone

a man can never dream these kind of things  
especially when she came and spread her wings  
whispered in her ear the things i like  
then she flew away in to the night

gonna write a song so she can see  
give her all the love she gives to me  
talk of better days that are yet to come  
never felt this love from any one

Shes not anyone  
Shes not anyone  
Shes not anyone
