

Stay Young

Oasis

One way out is all you're ever gonna get
From those who hand them out don't never let it upset you
Cos they'll put words in to your mouths they're making us feel soa ed

Making ya take the blame
Making ya cold in the night
Making ya question your heart and your soul
And I think that it's not quite right

Hey! stay young and in vincible
Cos we know just what we are
And come what may we're un stoppable
Cos we know just what we are

Feed your head with all the things you need
When you're hungry
Stay in bed and sleep all day as long as it's Sunday
Cos they'll put words in to my mouth they're making me feel soa shamed

Making me take the blame
Making me cold in the night
Making me question my heart and my soul
And I think that it's not quite right

Hey! stay young and in vincible
Cos we know just what we are
And come what may we're un stoppable
Cos we know just what we are
Ya we know just what we are
Ya we know just what we are
