

# The Girl in the Dirty Shirt

Oasis

If I may be so bold could I just say something  
Come and make me my day  
The clouds around your soul don't gather there for nothing  
But I can chase them all away

Why d'you need a reason for to feel happy  
Or be shining for the rest of the world  
Give me just a smile and would you make it snappy  
Get your shit together girl

You got a feeling lost inside  
It just won't let you go  
Your life is sneaking up behind  
It just won't let you go  
No it just won't let you go  
What I'm trying to say ...

Is would you maybe, come dancing me  
Cos to me it doesn't matter if your hopes and dreams are shatte  
red  
When you say something you make me believe  
In the girl who wears a dirty shirt  
She knows exactly what she's worth  
Knows exactly what she's worth to me!  
That I can see, I can see

If you ever find yourself inside a bubble  
You've gotta find your own way home  
You can call me anytime you're seeing double  
Now you know you're not alone
