

The Meaning Of Soul

Oasis

I gotta show you, man
The Meaning Of Soul
I'm taking on love tonight
Get out of my way, yeah man
I dig what you say
But that ain't enough, alright

I'm a different breed
I'm outta your league
I'm 10 out of 10, alright

Get out of my way, yeah man
I dig what you say
But that ain't enough, alright

All rise
I see the love in your eyes

If it's alright
Then I'll be your light

I gotta show you, man
The Meaning Of Soul
I'm taking on love tonight
