

Underneath The Sky

Oasis

Underneath the sky of red
C/F G Ami 7E7
Is a storyteller sleeping alone
He has no face and he has no name
And his whereabouts are sort of unknown

All he needs is his life in a suitcase
It belongs to a friend of a friend
And as we drink to ourselves
We'll amuse ourselves
Underneath the sky, underneath the sky again
Underneath the sky again, again

So wish me away to an unknown place
Am I living in a land with no name
I'll be making a start with a brand new heart
Stop me making sense again

All we needs is our life in a suitcase
They belong to a friend of a friend
And as we drink to ourselves
We'll amuse ourselves
Underneath the sky, underneath the sky again
Underneath the sky again, again, again, again, again
